Thanks! And I just realized - you've had a lot of turnover in standards recently, haven't you? I don't get on the monthly calls much because of a standing meeting here - how many of you are in standards at the moment?

Hi Catherine,

Sure thing! I'll find out who's the staff lead in NPDES on this and touch base with them to coordinate.

Hey Aaron -

I think you have the lead on the Class 3&4 project, right? I'm sitting in on our quarterly permitting call because permits wanted some updates. They (Candice) had some questions, particularly on the narrative translator approach. I sent Candice a link to the TSD, but as we go forward if you can help make sure that they're in the loop, that'd be great. Thanks!

-Catherine
